All souls visit this realm to make personal darkness conscious. Everyone has the same latent evil within awaiting to come alive under the right conditions and circumstances. Instead of judging, be aware that a monster of monsters lies within each of us waiting to become reality. A majority of Germany's common, ordinary people manifest genocidal insanity during the WW2 Holocaust persecution the Jewish peoples because circumstances were ripe to provoke common, sane humans to participate in a national evil, atrocity against humanity. That same madness can occur anytime, anywhere, to anyone as persecuted and/or persecutor. If one thinks s/he is not capable of such inhumanities, then that person has not faced their darkness within to become self-aware of it consciously.

Joan of Arc
“Young man, ‘god’ works through people.
The reason is that people listen to nothing
else...”said a Messenger appearing before
him - then she vanished.

To Joan of Arc said the King, “Why do
the voices come to you and not to me,
I am the King! Not YOU!' Joan said,
“They do come but you don't hear them.
You do not hear them. You have not sat
in the evening field listening for them;
when the Tower Bell rings, you cross
yourself and have done with it; but,
if you pray from your heart and listen
for the thrilling of the bells after they
stop ringing, then you would hear
the voices as well as do I...”
Joan of Arc. Circa 1431.

Joan’s final confession before the king
during persecution, torture, and murder
as a demonic by authorities of ‘the church-state.’
Only a girl of 19, she burned at the stake for
heresy, blasphemy, and demonic possession.

AMERICAN'S REMAIN UN CONCERNED ABOUT HOW THEIR ABUSIVE ACTIONS AFFECT OTHERS UNTIL IT BOOMARANGS BACK ONTO THEM. VETERAN SUICIDE AFFECTS THE WHOLE NATION, AND US VETERANS AFFAIRS OWNS IT IN TOTO! THIS IS BUT ANOTHER FACE OF VETERAN SUICIDE, AMERIKA!!

The other face of child abandonment. Very hard to watch kids grow up, help with homework or tuck them in bed from 6000 miles away. That's alright. Maybe when grown he will remember mom like she remembered him....out of sight, out of mind.
